The offer price of the Notes will be 99.653% of the principal amount of the Notes.

Interest

The Notes will bear interest at a rate of 4.375% per annum, payable semi-annually in arrears on 5 April and 5 October of each year, commencing 5 April 2017.

Ranking of the Notes

Ranking of the Parent Guarantee

The Company will guarantee the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes. Since the Company is a holding company, the Notes will be effectively subordinated to all indebtedness and other liabilities of the subsidiaries of the Company other than Shui On Development.

The Parent Guarantee of the Company is: (1) a general obligation of the Company; (2) effectively subordinated to secured obligations of the Company, to the extent of the value of the assets serving as security therefor; (3) senior in right of payment to all future obligations of the Company expressly subordinated in right of payment to the Parent Guarantee; and (4) ranked at least *pari passu* with all other unsecured, unsubordinated indebtedness of the Company (subject to any priority rights of such unsubordinated indebtedness pursuant to applicable law).

Events of Default

The events of default under the Notes include, among others: (1) default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise; (2) default in the payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 consecutive days; (3) default in the performance or breach of certain covenants under the Notes; (4) the Company, Shui On Development or any restricted subsidiary defaults in the performance of or breaches any other covenant or agreement in the Indenture or under the Notes (other than a default specified in (1), (2) or (3) above) and such default or breach continues for a period of 30 consecutive days after written notice by the trustee of the Notes or holders of 25% or more in aggregate principal amount of the Notes; (5) default by the Company, Shui On Development or any restricted subsidiary in the repayment of indebtedness having, in the aggregate, an outstanding principal amount of US\$10.0 million or more; (6) one or more final judgments or orders for the payment of money are rendered against the Company, Shui On Development or any restricted subsidiary and are not paid or discharged, and there is a period of 60 consecutive days following entry of the final judgment or order that causes the aggregate amount for all such final judgments or orders outstanding and not paid or discharged to exceed US\$10.0 million; (7) an involuntary bankruptcy or insolvency proceeding is commenced against the Company, Shui On Development or any restricted subsidiary and such involuntary bankruptcy or insolvency proceeding remains undismissed and unstayed for a period of 60 consecutive days; (8) a voluntary bankruptcy or insolvency proceeding is commenced by or consented to by the Company, Shui On Development or any restricted subsidiary; and (9) the Company denies or disaffirms its obligations under its Parent Guarantee or, except as permitted by the Indenture, the Parent Guarantee is determined to be unenforceable or invalid or for any reason ceases to be in full force and effect.

If an event of default (other than an event of default specified in (7) and (8) above) occurs and is continuing under the Indenture, the trustee of the Notes may, and shall upon the request of the holders of at least 25% in aggregate principal amount of the Notes outstanding, by written notice to Shui On Development, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an

event of default specified in (7) and (8) above occurs with respect to the Company, Shui On Development or any restricted subsidiary, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the trustee of the Notes or any holder of the Notes or any other person.

Optional Redemption

At any time prior to the maturity date of the Notes, Shui On Development may at its option redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the applicable premium as of, and accrued and unpaid interest, if any, to (but not including) the redemption date, as set forth in “Description of the Notes — Optional Redemption”.

At any time and from time to time prior to 5 October 2019, Shui On Development may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds of one or more sales of common stock of the Company in an Equity Offering at a redemption price of 104.375% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to (but not including) the redemption date; *provided* that at least 65% of the aggregate principal amount of the Notes issued on the Original Issue Date remains outstanding after each such redemption and any such redemption takes place within 60 days after the closing of the related Equity Offering.

Reasons for the Notes Issue

The Group is one of the leading property developers in the PRC. The Group engages principally in the development, sale, leasing, management and ownership of high-quality residential, office, retail, entertainment and cultural properties in the PRC. Proposed use of proceeds

The Group intends to use the net proceeds from the Notes to repay existing indebtedness with near term maturities and the remainder to fund capital expenditures.
